

# What's so special about the USA?

## Geography

Why is New York one of the world's most visited cities?

Can you carry out your own research on one of the American states?

Who were the original Americans?

What can you find out about the sports Americans play?

What do you know about the climate of the USA?

Reflection: Children create a documentary which explains why they should visit the USA.

## History

Children research the history of America and find out who the original Americans were and why there are so many people from different nationalities in the USA.

Use dates and historical language.

Draw a timeline with different time periods.

Describe historical events.

## PE

Sports played by Americans

Line dancing
