- Lourdes, a place of healing.

TOPIC 3

COMMON GOOD

Explore

Justice of the good of all.

Reveal

The work of Christians for the common good of all.

Learning Focus

- God asks us to live justly.
- God sent Jesus to bring the Good News to everyone.
- Jesus taught us how to live justly in our world.
- Catholic Social Teaching is about continuing the work of Jesus.
- The Common Good.
- Jesus gave Christians a new way of living.

Geography Key Skills Lesson:

Mapwork
Locate modern Egypt on a world map.
Label major cities, seas and rivers.
Label surrounding countries.

PE

Athletics
Rounders
Wake Up and Shape Up

Come and See

Witnesses
Pentecost the Holy Spirit enables people to witness the Easter message.
Healing
The Sacrament of the anointing of the sick.
Common Good
The work of Christians for the common good of all.

Science

Animals including Humans
Identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood
Recognise the impact of diet, exercise, drugs and lifestyle on the way their bodies function
Describe the ways in which nutrients and water are transported within animals, including humans

Light
Recognise that light appears to travel in straight lines.
Use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye.
Explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes.
Use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them.

Can we take a journey of discovery down the Nile?
