The School Councillors brought many ideas to the meeting and we have decided, as a team, to work on the items below:

- Wake up and shape up - the children would like for this to return.
- Class Pet - Y2 already have fish and other classes would like fish, the children will ask their Class Teachers about this and bring the information to the next meeting.
- Y3- would like Geography lessons - the School Councillor will find out who is the School's Geography lead and ask if this would be possible.
- The School Councillors discussed the possibility of a vending machine in school, they will find out more information about this.
