## New ideas or proposals:

- Music/Speakers for Y5/Y6 playground. Mrs Ashton is looking into this.
- Y5 asked if fans could be used in the main hall during assembly, it is very warm and feels uncomfortable.
- Y4 would like to do origami in class, we looked a website with free printable ideas, Y4 will ask their teachers to print some of the origami pictures.
- Y3 would like some time on the trim trail- they will ask their Teachers about this.

Proposals and ideas: from the last meeting

\* Wake up and shape up - Isla and Niamh have spoken with Mrs Ashton. Mrs Ashton has asked if the children could do Wake up and Shake up at lunchtime using the Speaker system for the infants and Lower Key stage 2, and when the speakers are ordered for Upper Key Stage 2 on the front playground.

\* Tournaments - Louie and Felix are still awaiting a response from Mr Lynch and Mrs Talbot.

\* Stickers for Y2 craft area - Morgan and Maiya will think about and ask their Class Teachers about this. They will then meet Mrs Knapper and complete a referral.

\* Comics/books for the playground , Bobbie is still looking into this and finding the cost. He will bring the information to the next meeting.

Please remember to read the notes to your class and find time to meet the children in your class and ask for their ideas.

Any other business: Y5/Y6 asked about the grassed area at the front playground, unfortunately this area is still not suitable. However when the weather improves, the children can use the big field behind the gate. The Midday Supervisors are aware.

Own clothes for birthday- the children will complete a referral and take it to Mrs Ashton A.S.A.P.

It has been noted, that the locks are broken in Y5/6 toilets. Mr Hughes has been informed.
