Advent

Advent focuses our attention on the coming of Christ.

**We live between two comings of Christ - his first coming in humility
and weakness at Bethlehem, and his second coming in Majesty and power
at the end of time.**

**St Paul says that with each passing year
'our salvation is nearer than when we first believed.'**

How much do we need the Lord's salvation in our lives and in the world.

The purpose of Advent

It is to help us prepare for Christmas.

Today's first reading points us to the first coming of Christ.

**The early Christians believed that the Second coming of Christ was near
and would be preceded by cosmic signs.**

**The disciples are urged to await the Lord's coming with confidence,
vigilance and prayer.**

**How we prepare for the second coming of Christ is also the topic of the
Second Reading.**

From the 1st Sunday of Advent the new lectionary will be used. The readings remain the same but the translation is changing. - the Missal texts - prayers for the Mass (Eucharistic Prayers etc) will remain the same.
